

No matter what your asset...

Alarmtrack™ it!

The Outdoor Burglar Alarm Keeping Your Assets Safe

ALARMTRACK™ is a covert monitoring system which employs a revolutionary new tracking technology working to TWO GPS Satellite systems with TWICE the normal coverage.

Ultra-low power consumption ensures a battery life of one to four years, and the ability to work in hidden positions. This means the ALARMTRACK™ sensor can be fitted in moments, and forgotten for complete peace of mind.

Powerful, Simple & Affordable

Have all the information you need at your fingertips 24/7

**QUICK
& EASY TO
INSTALL**
Simply place
and trace

1 PLACE AND TRACE

We will send a reassurance position from your asset once a day that you can view online or via a smartphone app. Great peace of mind at low cost.

2 SET MOVEMENT ALERT

via your phone App. You will be notified by text and email if your asset moves without authority. Powered by Telstra.

3 ALARMTRACK™ RECOVERY

can be switched, when the device is next set to check in, remotely into 30 second interval live tracking and reporting – a recovery mode to get your property back if the worst happens.

4 NEVER GIVES UP

will report successfully where other wireless devices just give up.

5 LOW SIGNAL AMPLIFICATION

enables operation where normal units fail (eg. in a container stack or underneath a trailer).

6 FUSS-FREE 24/7 TRACKING

installed in moments and fully transferable to where your need is greatest. Just place and trace.
