## The easy way to budget your GPS tracking

A fraction of the cost of other leading solutions, live tracking of your vehicles and assets available on demand via your smartphone, tablet or in your office.

Rich reports, logbooks, trip lists and maps all included. Pay just like your mobile phone plan.

Ideal for tracking and protecting valuable assets where a compact device is required with simple installation.

No external aerials. Low cost but still packs a high quality punch.

**QUICK  
& EASY TO  
INSTALL**  
Simply place  
and trace
